

CLASS SPECIFICATION
SAN DIEGO CITY CIVIL SERVICE COMMISSION
TREE MAINTENANCE SUPERVISOR - 1970

DEFINITION:

Under direction, to plan, assign, and supervise the work of field crews engaged in tree planting, trimming, maintenance, and removal; and to perform related work.

*** EXAMPLES OF DUTIES:**

- Makes field investigations to determine tree trimming, disease or insect control, removal, and maintenance needs;
- Receives and investigates requests or complaints on tree plantings, maintenance, damage, hazards, removals, and similar conditions;
- Supervises crews engaged in tree work, some of which may be difficult or dangerous or performed on an emergency basis;
- Trains personnel in tree maintenance procedures and in the safe and proper use of tools, materials, and equipment;
- Prepares requisitions, maintains records, and makes reports;
- Trains and rates the work performance of subordinates.

MINIMUM QUALIFICATIONS:

Please note: the minimum qualifications stated below are a guide for determining the education, training, experience, special skills, and/or license which may be required for employment in the class. These are re-evaluated each time the position is opened for recruitment. Please refer to the most recent Job Description for updated minimum qualifications: <https://www.governmentjobs.com/careers/sandiego/classspecs>.

Two years of skilled tree maintenance work including tree removal, trimming, and care; and must include the use of hand and power tools, ropes, climbing irons, and/or articulated personnel booms. Possession of a valid California Class C Driver's License.

*** EXAMPLES OF DUTIES performed by employees in this class. The list may not include all required duties, nor are all listed tasks necessarily performed by everyone in this class.**
