Subject: Street Damage Fee Update

On August 8, 2023, the City Council approved Ordinance No O-21701, updating the Street Preservation Ordinance. Included in the ordinance are updates to the Street Damage Fee to recover the increased repaving and reconstruction costs incurred by the City attributed to the impact of an excavation in the public right-of-way. The new fees go into effect on Jan. 01, 2024.

This is the first update to Street Damage Fees since 2014 and fees will continue to be updated annually on July 1, aligned with the RSMean Construction Cost Index.
